

The MailFinisher 4300N system is a medium to high volume In-Line System which is interfaced with a compatible laser printer, whereby the printer feeds the MF4300 directly and the forms are printed, folded and sealed in one single operation, therefore, speeding up the processing and also making it easier for the operator.

The standard Output Catch Tray holds up to 200 sealed forms.

An optional output device is available, The High Capacity Automatic Extending Output Conveyor which provides the user with easy continuous unloading of up to 500

## MailFinisher 4300N

The MF4300N system incorporates lockable fold plates and an easy jam release system with easy access for the operator. The MF4300N system requires a desktop to take the machine and laser printer. Optional Cabinets are available.

The system is compatible with the following printers providing up to 500 sheet in-feed capacity (based on 80gsm paper). HP LJ4200N HP LJ4250N HP LJ4300N HP LJ4350N HP LJ4014N - (New model) HP LJ4015N - (New model) HP LJ4515N - (New model 62ppm) The MF4300N can also be used as an 'Offline' machine, where forms are processed through the machine by loading manually once the forms are printed separately (see PostMate3).

## Tech info

- Form Size: Depth up to 14" / Width up to 265mm

- Speed: 3,720 fph in-line / 5,700 fph Off-Line
- Fold Settings: Z/EZ/C/EC/V/ Double fold
- Paper Weight: 60-120gsm
- Counter: Digital reset batch count
- Jam Release: Auto / Manual
- Duty Cycle: 125,000 form pm
- Weight: 48kgs
- Dimensions: 415 x 600 x 385mm (WxLxH) Excludes Printer
- Warranty – 12months (parts only)

## Accessories / Options

### Cabinet with Storage

Optional cabinets are available which provides a suitable surface for the machine and also provides storage underneath.

### Print Rotation Solution (PRS)

An optional PRS can be fitted to the HP laser printer which enables 180 degree print rotation by way of a unique software. This will be supplied as a SD Card for the HP4000 series and a USB device for the new Hp4515 series.

### Output Conveyor

High Capacity Output Conveyor which holds up to 500 printed forms and also provides easy unloading whilst processing

The MF4300N can also be used as an Off-Line stand alone machine.
