OfficeMate 2d

Simple, one touch Controls

Adjustable fold plates

The OfficeMate 2D Desktop Folder-Sealer offers a desktop sized solution to achieve fast, easy and securely sealed documents, addressing the need for an easy-to-use folding and sealing machine, which could be operated within a standard environment, yet be as simple to use as an everyday photocopier.

Flexible, compact and quiet, the OfficeMate 2D enables cost efficient and quick operations.

Processing up to 2000 forms per hour, this one-piece mailing system will save you the cost of envelopes and insertions.

It has an in-feed capacity in excess of 100 printed documents. Z, C*, V and bespoke folds are available with the easy to use fold plate settings.

Can also be used as a desktop office paper folder, folding invoices, letters and statements…
